Guideline for prize money from Draw I to Draw B:

The prize money of each match will be divided by the number of frames and distributed according to the number of frames won by both players. For example:

Match Score is 2-5 (best of 9) = $1800/9$ frames = Rs. 200/frame.

Player B gets $2 \times 200 =$ Rs. 400 & Player A gets the balance = Rs. 1400.
